Contents of Volume 11

Number 1

Editorial 1
Kidney donation—where some of the problems lie *D. J. Oborne and M. M. Gruneberg* 3
Experience with 1000 potential cadaveric renal donors *A. D. Barnes* 10
The Portsmouth method of external fixation of complicated tibial fractures *A. J. Edge and R. A. Denham* 13
Proximal femoral fractures in psychiatric patients *A. D. Craxford and J. Stevens* 19
Femoral fractures associated with Moore's prosthesis *I. J. Harrington, A. A. Tountas and H. U. Cameron* 23
External rotation and abduction fractures around the ankle joint treated by internal fixing using AO instrumentation *R. P. Mifsud and R. L. Batten* 33
Clinical study of injuries of the lower cervical spinal cord *J. Julow, I. Szarvas and A. Sárváry* 39
Talotibial impingement exostoses causing osteochondromatosis of the ankle *K. P. Boardman* 43
Avulsion of the cranial margin of the scapula: a report of two cases *G. R. Houghton* 45
Fracture of the thyroid cartilage associated with full face integral crash helmet *P. V. Walsh and G. A. Trotter* 47
The Judet prosthesis: a long term follow-up of three cases and a review of the literature *Neil Rushton, Graeme M. Hart and G. P. Arden* 49
An analysis of the pattern of facial injuries in a general accident department *G. M. O'Donoghue, E. D. V. Vaughan and K. C. Condon* 52
Acute blunt traumatic rupture of the diaphragm in a child *Y. Berlatzky, E. Shiloni and M. M. Krausz* 62
Pneumoperitoneum associated with pneumothorax or pneumopericardium: a surgical dilemma in the injured patient *T. A. Andrew and D. D. Milne* 65
Traumatic closed avulsion of the upper ureter *R. Ambiavagar and R. Nambiar* 71
Injuries at work and compensation 77
Wrinkle Corner : A simplified wound irrigation technique *S. Copeland* 81
Letter to the Editor 82

Number 2

Editorial 89
Roadside medical care in Cambridgeshire *Paul P. Silverston* 90
Roadside care and rescue American style *Paul P. Silverston* 96
Development of an emergency services system—the Israeli example *Paul P. Silverston* 99
Report of the BASICS Annual Scientific Meeting, 1978 *K. C. Easton* 101
Aid, first and foremost: a brief outline history of the St John Ambulance Association and Brigade *Ian Fletcher* 104
The value of the Hoffmann skeletal fixation in the management of cross-leg flaps, particularly those injuries complicated by open fractures of the tibia *G. A. Evans, R. L. Bang, M. S. Cornah and B. V. M. Corps* 110
A method of internal fixation of supracondylar fractures of the femur *E. Baijal* 115
Early weight bearing in the treatment of fractures of the tibia *G. I. B. da Costa and N. Kumar* 123
Treatment of subcapital femoral fractures by primary total hip replacement *Roger L. Coates and Paul Armour* 132
Open fractures of the shaft of the tibia: analysis of wound and fracture treatment *B. Widenfalk, B. Pontén and G. Karlström* 136
The role of computerized tomography in the care of the injured *J. R. Bartlett and G. Neil-Dwyer* 144
Image intensifier as an aid to insertion of the Zickel nail apparatus for proximal femoral fractures *I. W. Forster and J. A. Lindsay* 148
Axillary artery occlusion with erect dislocation of the shoulder *J. R. C. Gardham and J. E. Scott* 155
Acute nerve injury as a complication of closed fractures or dislocations of the elbow *K. A. Galbraith and C. J. McCullough* 159
Wrinkle Corner : An inexpensive walking brace *J. B. Pyper* 165
An improved orthopaedic stirrup *E. R. Scull* 166
Letter to the Editor 170

Number 3

Alterations in metabolism following injury: part I — *D. P. Cuthbertson* — 175

The present state of medullary nailing of the femur: biomechanical limitations and problems of blood supply to the fracture due to reaming — *J. Aginsky and N. D. Reis* — 190

A double compression medullary nail: preliminary report of an early clinical trial — *N. D. Reis and J. Aginsky* — 197

Fatigue fracture of bone plates — *H. Brunner and J. P. Simpson* — 203

Disruption of the acromioclavicular joint: surgical anatomy and biological reconstruction — *Stephen Copeland and Lipmann Kessel* — 208

Rupture of the lateral ligaments of the ankle: a controlled clinical trial — *Tore Grønmark, Odd Johnsen and Odd Kogstad* — 215

The decline of aerobic capacity and muscle strength following fractures of the lower limb — *F. J. Imms, S. P. Prestidge and F. B. Mayes* — 219

Correlation between clinical and radiological diagnosis for fractures and dislocations in an accident department — *W. J. Morgan, E. C. Ogden, A. Martin and L. Singh* — 225

A prospective controlled trial of valgus osteotomy in the fixation of unstable pertrochanteric fractures of the femur — *M. J. S. Hubbard, F. D. Burke, G. R. Houghton and D. J. Bracey* — 228

Subcapital fractures of the femur in rheumatoid arthritis — *I. B. M. Stephen* — 233

Fracture of the neck of the femur in childhood — *W. R. Quinlan, P. G. Brady and B. F. Regan* — 242

Two traumatic intrathoracic aneurysms in one patient — *A. L. Prior* — 248

Intertrochanteric fracture of the femur with ipsilateral central fracture of the acetabulum — *R. S. Browne and G. B. Mullan* — 251

Wrinkle Corner: External fixation with the coat hanger method in treatment of unstable fractures of the pelvis — *G. N. Boobbyer* — 254

Küntscher nailing of the tibia—a new tibial jig — *Richard King* — 256

Letter to the Editor — 258

Number 4

The Ruscoe Clarke Memorial Lecture, 1979: The management of traction lesions of the brachial plexus and peripheral nerve injuries in the upper limb: a study in teamwork — *C. B. Wynn Parry* — 265

Alterations in metabolism following injury: part II — *D. P. Cuthbertson* — 286

A retrospective review of the healing of fractures of the shaft of the tibia with special reference to the mechanism of injury — *R. L. Allum and M. A. S. Mowbray* — 304

Prosthetic replacement of the femoral head for fractures of the neck of the femur: a comparative study — *R. K. Suman* — 309

Femoral head replacement following fracture: an analysis of the surgical approach — *Michael R. Wood* — 317

Study of triangular fibrocartilage of the wrist joint in Colles' fracture — *R. C. Mohanti and N. Kar* — 321

The effect of acrylic cement on the union of internally fixed experimental fractures of the femoral shaft in the rabbit — *M. J. S. Hubbard* — 325

Pneumothorax of late onset after chest stabbings — *G. R. McLatchie, C. Campbell and J. S. F. Hutchison* — 331

Wrinkle Corner: Improved irrigation in arthroscopy — *Wolfgang Rauschning* — 336

Letter to the Editor — 338
